

HIS KIDS For the Holidays

This year, let's bring JOY to some kids who REALLY need it!

4 Easy Ways to Help:

- **Become a “HIS KIDS for the Holidays” Sponsor:**

Sponsorships are available at all levels and are a great way to promote your own business, group, family, club, etc.

Santa Level Sponsor (\$1,000+ donation)

Reindeer Level Sponsor (\$250+ donation)

Elf Level Sponsor (\$500+ donation)

Snowman Level Sponsor (\$100+ donation)

Little Tree Sponsor: Each of these provides one little Christmas tree for a child in the hospital.

- **Adopt-A-Child Santa's Helper**

This year, you can sponsor one (or more) kids with cancer or siblings of cancer patients and receive their Christmas wish list. You can then shop for their items and return the unwrapped items to the HIS KIDS office by Dec. 15th. We ask that all sponsors plan to spend approximately \$150 per child on their gifts to make it more fair for every child.

If you prefer not to shop, you can sponsor a child for \$150 and we'll shop for them based on their wish list!

- **Provide Thanksgiving or Christmas Meals for a family of 4**

For \$200, you can provide a holiday meal as well as some food pantry staples for a childhood cancer family in need.

- **Organize a drive/donate food or gifts**

This year, we're collecting non-perishable food items to provide Thanksgiving & Christmas meals to our families. Please call 618-654-4020 or email jbellamy@hiskidsinc.org for more information on needed items or visit: www.hiskidsinc.org/food-needs for the list of exactly what items are still needed (will be updated weekly). Or check out our Facebook page— lists are posted there as well!
