### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of H.I.S. K.I.D.S. Inc.

### **Opinion**

We have audited the accompanying financial statements of H.I.S. K.I.D.S., Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of H.I.S. K.I.D.S., Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.I.S. K.I.D.S., Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.I.S. K.I.D.S. Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.I.S. K.I.D.S., Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.I.S. K.I.D.S., Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Cash and cash equivalents - end of year	\$ 140,611
SUPPLEMENTAL CASH FLOW INFORMATION:	
Cash paid during the year for operating lease	\$ 436

### Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Nature of Organization

H.I.S. K.I.D.S Inc. (the "Organization") which stands for "Happiness is Serving Kids in Distress Situations", is a nonprofit organization incorporated in the State of Illinois in 1984 as a tax-exempt entity under the Internal Revenue Code Section 501(c)(3). The organization's exempt purpose is to provide physical, emotional, and spiritual support to families who have children receiving treatment in hospitals in the St. Louis, Missouri area for serious or terminal diseases. The activities of the organization include but are not limited to providing transportation, housing, and emotional support to the families and children.

### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

## **Basis of Presentation**

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

<u>Net assets with donor restrictions</u> - Net assets that are subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity. The Organization presently has no net assets with donor restrictions.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

## Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's program services and support services. Nonoperating activities are limited to resources that generate a return on investment and other activities considered to be of a more unusual or nonrecurring nature.

## **Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

## Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents for the purposes of the statement of cash flows.

## **Property and Equipment**

Property and equipment are carried at cost less accumulated depreciation. Depreciation of equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Useful lives of 5 to 30 years have been used for the purpose of depreciating fixed assets. Expenditures for repairs and maintenance are charged to operating expense as incurred. Depreciation expense for the year ended December 31, 2022, was \$18,200.

## **Use of Estimates in Financial Statements**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## **Contributions**

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction, depending on the nature of the restriction, is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

### **Contributed Services**

A number of volunteers contributed services to the Organization. Only the contributed services that meet the reporting criteria for recognition have been reported at the fair market value for the services provided. Contributed services that do not meet the reporting criteria have not been included in the financial statements.

### **Income Taxes**

The Organization is exempt from income taxes pursuant to section 501(c)(3) of the Internal Revenue Service Code. Therefore, no provision is made for taxes on income.

The Organization adopted the provisions of Accounting for Uncertainty in Income Taxes on January 1, 2010. The adoption of that guidance resulted in no change to the financial statements for prior periods. As of December 31, 2022, no amounts have been recognized for uncertain tax positions. The Organization's tax returns for 2020 and prior are closed.

## **Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

#### Investments

The Organization has adopted "Accounting for Certain Investments Held by Non-Profit Organizations." Under the standard, investments in marketable securities with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the statement of activities.

## Revenue from Contracts with Customers

The Organization recognizes revenue that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. No contracts with customers were in place during the current year.

### Operating Leases

During 2022, the Organization adopted ASU 2016-02 Leases (Topic 842). The adoption of the guidance requires the recognition of the remaining value of operating leases as assets and liabilities on the statement of financial position as right of use assets and future minimum lease obligations, respectively. As of December 31, 2022 only one material lease was in place see Note 5.

### **Note 2 - FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated between fundraising, administration, or the appropriate program based on evaluations of the related benefits. Such allocations are determined by management on an equitable basis. Expenditures have been allocated based on time and effort or specific identification, when available.

## **Note 3 - CONCENTRATION OF CREDIT RISK**

The Organization maintains various deposit accounts at Busey. Each depositor is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2022, the Organization's bank balance did not exceed the federally insured limit.

The Organization maintains various investment accounts at Lucco Financial Partners. Each depositor is insured by the Securities Investors Protection Corporation (SIPC) up to \$500,000 of investments including a \$250,000 limit for cash. As of December 31, 2022, the Organization did not have any uninsured investments.

## **Note 4 - PROPERTY AND EQUIPMENT**

A summary of property and equipment as of December 31, 2022, follows:

Furniture and equipment	\$ 7,255
Vehicles	 83,783
Total depreciable assets	91,038
Accumulated depreciation	 (49,117)
Property and equipment, net	\$ 41,921

## **Note 5 - OPERATING LEASES**

On October 26, 2022, the Organization signed a lease with Konica Minolta for a copier. The minimum lease payment is \$218 per month with a term of 60 months. Interest is calculated based on the risk free rate as of October 26, 2022, 4.2%.

Future minimum lease payments are as follows:

December 31,		
	2023	\$ 2,614
	2024	2,614
	2025	2,614
	2026	2,614
	2027	2,179
Total lease payments		12,635
Interest		1,218
Present value of lease liabilities		 11,417

Lease payments for the year ended December 31, 2022, totaled \$436.

## **Note 6 - AVAILABILITY AND LIQUIDITY**

The following represents the Organization's financial assets as of December 31, 2022:

Financial assets at year-end	
Cash and cash equivalents	\$ 140,611
Investments	 17,302
Total financial assets at year-end	157,913
Less amounts not available for general expenditures within one year	
Net assets with period restrictions in excess of one year	-
Net assets with purpose restrictions	 -
Total amounts not available to meet general expenditures within one year	 -
Financial assets available to meet general expenditures within one year	\$ 157,913

### **Note 7 - INVESTMENTS**

### Fair Value Measurements

Financial Accounting Standards Board Statement Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under Fair Value Measurements are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Association has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets.
  - Quoted prices for similar assets or liabilities in inactive markets.
  - Inputs other than quoted prices that are observable for the asset or liability.
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for 2022.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

## **Note 7 – INVESTMENTS** (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2022:

	I	evel 1	L	evel 2	L	evel 3	Total
Common stocks	\$	17,302	\$	-	\$	-	\$ 17,302
Total	\$	17,302	\$		\$		\$ 17,302

## **Note 8 - SUBSEQUENT EVENTS**

The Organization has evaluated subsequent events as of February 23, 2024, the date which the financial statements were available to be issued, and noted no reportable subsequent events.
